

CLASS OF 2020 CRUSADER OF THE MONTH

Ava Kathleen Asmus

MONTH HONORED: April 2020

Mrs. Toothman and Mr. Callow are proud to nominate Ava Asmus as April Student of the Month. Ava represents the Muskegon Catholic Central values of character, compassion, and commitment in many ways, both at school and in the wider community.

Ava shows her character in the many roles she has taken on in her time at MCC. Her responsibility led to her become the president of the National Art Honor Society and serve as a student director for the Spring Musical for three years. She also shows her character by volunteering as a teacher at her church's Vacation Bible School and in a Nativity Walk every year. This year, Ava mentored a beginning flute student, who she inspires and motivates through fair, compassionate teaching skills.

On top of that, Ava has always shown tremendous respect towards staff and students. She is quick to say hello in the halls, have lunch away from the lunchroom to support a friend, and say and do the right thing, no matter the situation. Ava shows her compassion through her care and respect for others. She is always willing to go out of her way to help another student who may be struggling with a difficult concept to understand, or someone who might be having a bad day.

Ava exemplifies commitment in her dedication to any task put in front of her. She always works diligently in the classroom, making sure all her work is truly her best work. Her commitment extends into all her extracurricular activities including as member of the National Honor Society and a four-year member of the Varsity Tennis team.

When Ava manages to find some free time in her busy schedule, she enjoys drawing, watching tv and movies, reading, and hanging out with friends.

Ava is the daughter of Tony and Tina Asmus and attends St. Francis de Sales Church. Next year, Ava plans to attend Hope College. Although she has not decided what major she will pursue, we are both certain Ava will be a future star in whatever career she chooses. We both look forward to seeing all that Ava accomplishes in the future!
