

CLASS OF 2019
CRUSADER OF THE MONTH
Owen Matthew Linstrom
MONTH HONORED: February 2019

Owen Linstrom was selected by Mr. Steve Czerwon and Mr. Jerry Mabrito

For the past four years, Owen Linstrom has embodied the Muskegon Catholic Central experience; he has excelled in the classroom, shown talent and leadership athletically, and contributed positively to his community. For combining those three qualities, we proudly name him as Student of the Month for February 2019.

Owen has taken several honors classes during his time at MCC including AP Chemistry, Honors English, and Honors Government. Owen was named Honorable Mention Academic All-State in football this year. He carries a 3.5 GPA and scored a 1370 on the SAT, placing him the 90th percentile in the state.

Owen has excelled in athletics for the Crusaders. Most notably he was a two-year starter on the Crusader football team and earned All-Conference Honors as an offense lineman. His leadership, determination, and hard work helped him to lead a young team, and he was elected as a captain by his teammates. In wrestling, Owen was the Lakes Eight conference Champion in 2018 for the 171 pound division and was a regional semi-finalist in the state tournament this past year. Owen also has thrown shot and discus for the past three years in Track and Field.

Owen is viewed as a leader in the classroom and demonstrates determination to excel in all endeavors he takes up. He is viewed by his teachers as someone who adds to the classroom experience, is quick to help others, and has a kind heart. This year he serves as a member of the Student Council. Owen has also given service back to the school by working fish fries, working youth football camps, and making gardening boxes for the elderly of Muskegon as part of his senior service project.

In his spare time Owen enjoys being with friends and family, working on cars, and lifting weights. Next fall Owen will attend MCC where he hopes to major in CNC and CAD.

Owen attends St. Michael Parish and is the son of the late Roger Linstrom and Colleen Dahman.
