

## **CLASS OF 2020 CRUSADER OF THE MONTH**

**Bradley Owen Egeler**

**MONTH HONORED: November 2019**

**Bradley Egeler was selected by Mr. Matt Callow and Mr. Erin Johnson**

It is both Mr. Callow and Mr. Johnson's pleasure to nominate Brad Egeler for November Student of the Month. It is clear to the staff that he strives for personal excellence on a daily basis and demonstrates what it means to be a student here at Muskegon Catholic Central. Mr. Johnson notes that Brad is an extremely hard worker and has witnessed him strive for excellence on a daily basis in the classroom. Mr. Callow adds that Brad enjoys learning, especially new and often difficult topics associated with the many AP classes he is taking.

Both Mr. Johnson and Mr. Callow have had the pleasure to watch Brad grow, both as a student and an athlete, from a quiet seventh-grader into the confident and outgoing young man that he is today.

Brad is a very kind and generous human being whose smile can light up a room. Brad has a great outlook and lifts the spirit of any class that he is in. He genuinely cares about his fellow students and goes out of his way to help those around him. He is not afraid to ask for help or answer the tough questions in class.

Brad consistently demonstrates a positive attitude within his classes as well as in his interactions with peers and teachers. He is a diligent and hardworking student who is always on task and helpful to classmates. He is respectful to others and helps in the classroom whenever he can. He works hard to make those around him feel important. He is almost a second teacher in the classroom and helps others not by simply giving them the answer, but rather by showing them the process involved in solving the problem.

Brad is an athlete who has made his mark beyond the classroom through numerous extracurricular activities. He has represented MCC through his participation in hockey, baseball, and soccer.

Brad is a member of the National Honor Society and has been a member of the 4-H club for the past eleven years. He currently serves as his club's vice president. During his time in 4-H, he has received the Citizenship Award and earned two first place awards for his show pigs. Brad also unselfishly volunteers his time at the Humane Society. This year his senior service project is centered around helping those animals. In January, he will be attending his third March for Life school trip.

Outside of MCC, his interests and hobbies include spending time with his family and friends and playing fantasy football. Upon graduation, Brad plans on attending Michigan State University to major in Physical Therapy. Brad is the son of Joseph and Sara Egeler and attends St. James Parish.
