

SENIOR STUDENT OF THE MONTH 2019-2020

MCC Staff to Honor Crusaders for Character, Compassion and Commitment

We will be honoring **ONE** Senior Student of the Month beginning October 2019 through May 2020. A senior will be jointly nominated by the assigned staff members listed below. The senior selected must significantly display one or more of the following characteristics:

- **CHARACTER:** Character isn't inherited. It builds daily by the way one thinks and acts, thought by thought, action by action. People of character are marked by moral strength and class. They seek what is good, just and true and consistently act on these principles without being conceited or judgmental.
 - **COMPASSION / SERVICE:** "See how they love one another". People of compassion understand and live by the Golden Rule. They are always ready to respect and help others, especially those in need.
 - **COMMITMENT:** To paraphrase Thomas Edison, Success is "1% inspiration and 99% perspiration". Committed people do whatever is necessary to achieve the goal and get the job done. They understand that hard work and perseverance are key to individual and group achievement.

Your responsibility is to jointly compose a letter of the student that was selected as the Student of the Month.
