Catholic Schools Week 2018

January 27 – February 2

Muskegon Catholic Central: A Community of Learning, Serving, Leading and Succeeding.

Please join us for our annual celebration of National Catholic Schools Week. The theme - **“Catholic Schools: Learn. Serve. Lead. Succeed.”** encompasses the core products and values that can be found in Catholic schools. Not only are we teaching students to become future servant leaders, faith-filled disciples and enriched citizens in our communities, we as educators are growing with them. In Catholic schools, we are all learners, servants, and leaders. These shared qualities are what makes Catholic schools work. They are what make Catholic schools succeed.
