Dear Parents,

Please join us for National Catholic Schools Week, our annual celebration of what makes education at Muskegon Catholic Central outstanding. Starting with Sunday Mass on January 27, we have a whole week of activities planned that will celebrate your child's education, and the community we have built to educate tomorrow's citizens and church leaders.

The theme of celebration is "Catholic Schools: Learn. Serve. Lead. Succeed." The theme encompasses the core products and values that can be found in Catholic schools across the country. Not only are we teaching students to become future servant leaders, faith-filled disciples and enriched citizens in our communities, educators are growing with them. In Catholic schools we are all learners, servants and leaders. These shared qualities are what make Catholic schools work. They are what make Catholic schools succeed.

The theme also focuses on key elements of Catholic education: faith development, academic excellence and dedication to service. These elements set Catholic schools apart from other educational options. They are why families make sacrifices to provide their children with a Catholic education.

Please see the attached schedule of events and service project that will take place here at Muskegon Catholic Central during Catholic Schools Week.

I am grateful every day for the teachers, staff, parents and volunteers who make our school a success.

God Bless,

Mrs. Allison Aldrich
7-12 Principal
