

Ken Rasp to MCCEveryone

Oct 4

Dear MCC Community,

In the middle of a great visit by Bishop Walkowiak this morning, our Administration received two phone calls that a clown may have been sighted in the area. Our Crisis Team quietly insured that all access points were locked and secured. As a precaution, the decision was also made to suspend outside recess for elementary students.

**The safety of our students is our number one priority!** Our response today was absolutely precautionary in nature. Please note that MCC is in a soft lockdown state perpetually. All exterior doors are always locked and monitored via camera's throughout the school day before admittance to the building is allowed.

To our knowledge, there has not been any social media postings concerning clowns in relation to MCC, nor has there been any spotting of clowns on or near our school campus.

We felt it was important to inform you of our response today in case your student came home with questions.

May God continue to bless the Muskegon Catholic Central family!

Ken Rasp, President  
Muskegon Catholic Central
