SITZ PROBE (March 5): This is the **first day** we rehearse with the full orchestra. Rehearsal is primarily composed of only singing and marking dance numbers for each of the songs to rehearse with the orchestra as our accompaniment.

TECH WEEK (March 8 and 9): This is the week when we include **ALL** set pieces, props, puppets, sound, & lights in our rehearsals. We will have started adding elements in around mid-February, but **EVERYTHING** should be included in our rehearsals by these two days. **All cast and crew are needed at these very important rehearsals.**

TECH WEEKEND (March 11 and 12): **You absolutely may NOT miss these days.**

DRESS REHEARSALS (March 11): When we add **ALL** costumes, hair & makeup to our rehearsals.

STUDENT PERFORMANCE (TUESDAY March 14): When we do a dress rehearsal performance on **TUESDAY** for our elementary schoolers and students from other schools. After that performance we take pictures in costumes with hair & make-up.

SHOW WEEKS: We do five performances, March 17th, 18th, 19th, 24th and 25th. There is an Opening Night Party (all are welcome) on March 17th in the cafeteria after the show. A parent group puts this together. On closing night (March 25) there is a Cast and Crew (**ONLY**) Party, chaperoned by the adult crew.

WEDNESDAY NIGHT RUN-THROUGH (March 22): We are through rehearsing at this point, except for this traditional run-through from 6:00 to 9:00.

Crews: Backstage, Booth, and Props must be here. Hair, Make-up, and Dressers may come and watch.

Cast: NO costumes, hair or make-up. All props must be used, all lines must be delivered, all dances must be done, all songs must be sung.

CAST & CREW: Our tolerance for shenanigans will be determined by seniority and the amount of wit involved. Stupid pranks are not tolerated.

STRIKE DAY: On Sunday (March 26) we strike the set. **ALL Cast & Crew** members, plus as many parents as possible, show up and we take it all apart and put it away again until next year.
