Principles Report:

Allison was unable to attend the meeting, however via email she provided an update for us.

Catholic School Week starts Monday January 28th and all events are planned and ready to go.

She attached a CSW agenda to the email for the association to reference.

Also, the "positive sayings" for the Chalkboard Project Photos will also start January 28th. The Chalkboard Project is the "Words Matter Anti-Bullying Project" that is taking place in grades 9-12.

Treasure's Report:

Krista updated us that she was unable to receive an account balance update as MCC is installing a new financial system/program. This will allow us to see our financial standing at any time and aide us in staying better connected to our funds and activities with a live update. She reported that we are still receiving donations from our Opt Out Fundraiser. The Van's Car Wash Fundraiser is now sold out for a total income of \$500 for the association. The next fundraising opportunity will be March 17th a \$3 "Pay to wear Green" for St. Patrick's Day. We are still waiting for some CSW expenses to come in from Angie Kalisz and make sure we have the final expenses for the January 7th teacher luncheon from Hearthstone that were submitted. Finally, a donation for a MCC family in need will be made to the MCC Theatre Department to go towards financial participation obligations.
