Other _____

The Muskegon Catholic Central system is a private, independent Catholic school system that does not discriminate on the basis of race, gender, national/ethnic origin, and/or physical limitations (given reasonable accommodations) in the administration of its admission policies, educational policies, financial aid program, or other school-administered programs. The Scholarship Committee determines qualification of candidates for admission on the basis of academic potential, developmental maturity, demonstrated work ethic, school achievement, and readiness for the school's program. Other admission considerations are shaped by the school's policy (as determined by the Board of Trustees) and the school's mission.
