

Dear all :

As Mr. Faber suggests in his email to school leaders in the Diocese sent yesterday morning, Muskegon Catholic Central is actively monitoring the coronavirus situation with great diligence. We are in contact with officials at our local public health organizations and the Muskegon ISD. We will follow their directions to the letter in the event the coronavirus finds its way to the Michigan lakeshore. Please note that we will keep you informed and in the know as information is forwarded to us by any of the organizations charged with directing all public health efforts.

May God shower His healing graces on all who are suffering because of the coronavirus. May God's peace and wisdom be with all who are working to find ways to halt the spread of this virus.

Blessings and peace!

Ken
